

ADAPT[™]

LITE

EYEWEAR EVOLVED

With or without a mask, ADAPT safety glasses provide next-generation functionality and unsurpassed comfort.

AWARD-WINNING DESIGN

- Soft, flexible cushioning that reduces pressure and increases all-day comfort.
- Toric lens shape for a closer fit.
- Reduced lens dimensions for added space in the nose bridge area, allowing for a comfortable fit with a respirator.
- Extra flexible, soft grip temples for extra comfort.
- Ultra-light construction.
- Flexible soft grip temples.
- Meets the following standards: ANSI Z87.1, CSA Z94.3 and AS/NZS 1337.1.*

Two Fits in One.

Reversible nose cushion adjusts for your comfort preference.

IceShield™ scratch-resistant and anti-fog coating delivers reliable UV protection while helping to support clear, distortion-free vision. The durable coating helps extend lens life in demanding work environments. Users benefit from reliable visual clarity, even in changing temperatures and humid conditions.

INDUSTRIAL					
MODEL NUMBER	DESCRIPTION	COATING	QUANTITY PER BAG	DISPLAY QUANTITY	CASE QUANTITY
